REPORTS

1967

New Boston Central School

The cover picture is of the Central School, as seen when approaching the new addition. It is a structure well worthy of the purpose it will serve through the coming years. That purpose being the sheltering of the children of New Boston during their early education.

The original structure was erected in late 1955, with four classrooms, an office, a boiler room, toilet facilities, storage rooms and janitorial closets. It was the answer to the much needed space for three classes of children and was soon fully utilized. It was, and is, a very adequate building.

A bond issue of about \$70,000.00 was needed to finance that original building. It should be noted that those planning for the structure were very conservative, thus bringing about a fine building at low cost. In other words, no frills.

Through the intervening years to the present it has been ever evident that with the rapid filling and overflowing of classrooms, expansion of school facilities would be necessary. Thus, with the condemning of temporary classroom facilities in the old High School, the District launched a planning, constructing and equipping program.

The first positive action of this program came in March of 1967 with voters of the District accepting one of many proposed plans and voting the bond issue of \$145,000.00. The final action came with dedication ceremonies on January 21, 1968 of the addition.

The new addition, with its six classrooms, additional toilet facilities, storage space, teachers' room and office space, provides the District with a fine, updated educational facility, sensible in its appearance and practical in construction.

This total building, with its ten classrooms and practical core facilities, now gives the District much needed expansion space for several years to come.

Articles in the Town Warrant and Proceedings of the Town Meeting, March 14, 1967.

The annual Town Meeting was called to order by the duly appointed Assistant Moderator, Regis Lehman, at 10:15 a. m., March 14, 1967. Roland Sallada led in the salute to the flag.

Assistant Moderator Lehman read the first two articles in the warrant and the school district warrant for the balloting for officers and declared the polls open for voting.

A motion was made to postpone reading the remainder of the warrant until 7:00 p. m. This was duly seconded and voted in the affirmative.

Article 1. To choose all necessary officers for the ensuing year.

Article 2. To vote on the following subject: Shall the provisions of Chapter 287 of the Revised Statutes Annotated relative to playing games of Beano be adopted in this Town?

At 7:00 p. m., Moderator David L. Nixon called the meeting to order to take up Articles 3 through 20. At his request, the Rev. Joseph Holland gave the invocation and Roland Sallada led in the salute to the flag. Moderator Nixon introduced the Selectmen and other participating officers.

A motion was made by Fred Moss, seconded by Regis Lehman, that the polls be kept open until 10:00 p. m. for the benefit of late-comers, as long as they do not take place while a debate is going on. The vote was in the affirmative.

Article 3. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same:

Article 4. To see if the Town will vote to raise and appropriate the sum of \$1,504.55, the State to contribute \$10,030.34, for Town Road Aid, or act in relation thereto.

It was so moved by Charles Gould, seconded by Edward Kinney, and voted in the affirmative.

Article 5. To see if the Town will vote to raise and appropriate the sum of \$3,000.00 to resurface tarred roads in town, or act in relation thereto.

It was so moved by Donald Byam, seconded by Albert Dancause, and voted in the affirmative.

Article 6. To see if the Town will vote to raise and appropriate the sum of \$150.00 for White Pine Blister Rust Control, or act in relation thereto.

It was so moved by Donald Byam, seconded by Richard Whynall, and voted in the affirmative.

Article 7. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 to be put in a Capital Reserve Fund towards the purchase of new road equipment in the near future, or act in relation thereto.

It was so moved by George Hawkins, seconded by Reginald Hayes, and, after much discussion, voted in the affirmative.

Article 8. The motion was made by Albert Dancause, and seconded by Roland Sallada, that the Town vote to raise and appropriate the sum of \$25.00 in cooperation with the New Hampshire Forestry and Recreation Commission for the opening and maintaining of trails and old roads for Forest Fire Protection, the New Hampshire Forestry and Recreation Commission to provide a matching sum not in excess of \$25.00 for this purpose. It was so voted in the affirmative.

Article 9. To see if the Town will vote to raise and appropriate the sum of \$50.00 towards a Village Improvement Project to be supervised by the Selectmen, or act in relation thereto.

It was so moved by Roland Sallada, seconded by Donald Byam, and voted in the affirmative.

Article 10. To see if the Town will vote to authorize and empower the Planning Board to approve or disapprove in its discretion new subdivisions and plats thereof showing streets, or the widening thereof, or parks, and upon the adoption of this article, it shall be the duty of the Town Clerk to file with the Registry of Deeds of the County of Hills-

borough a certificate or note showing that the said Planning Board has been so authorized, giving the date of authorization, as provided in Section 19, and Sections 20-29 inclusive, Chapter 36 of the New Hampshire Revised Statutes Annotated, 1955. If this article is adopted, it shall further be the duty of the Town Clerk to issue all certificates of failure when the Planning Board shall fail to take action as provided in Chapter 36: Sections 19, 20-29 inclusive, or act in relation thereto. (BY PETITION)

It was so moved by Randall Parker and seconded by Robert Normandin.

After much discussion Robert Todd, seconded by John Statt, moved the question and it was so voted in the affirmative.

Returning to the original motion, a standing vote was taken, 57 Yes and 79 No. The motion did not pass.

Article 11. To see if the Town will vote to raise and appropriate the sum of \$50.00 to defray the expense of publishing a number of copies of the Subdivision Regulations to be kept in the office of the Selectmen for public use, or act in relation thereto. (BY PETITION)

A motion was made by Richard Whynall, seconded by Robert Normandin, to pass over Article 11. It was so voted in the affirmative.

Article 12. To see if the Town will vote to raise and appropriate the sum of \$60.00 to cover the expenses of the Planning Board for the ensuing year, or act in relation thereto.

A motion was made by Renaud Pelchat, seconded by Charles McEwan, that the Town raise and appropriate the sum of \$150.00 to cover the expenses of the Planning Board for the ensuing year. It was so voted in the affirmative.

Article 13. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to be put in a Capital Reserve Fund toward the purchase of new fire apparatus in the near future, or act in relation thereto.

It was so moved by Kenneth Barss, seconded by Charles Davis, and voted in the affirmative.

Article 14. To see if the Town will vote to amend Section 4 of the Ordinance adopted March 9, 1965, or act in relation thereto.

A motion was made by Roland Sallada, seconded by Regis Lehman, to pass over Article 14.

After much discussion, Charles McEwan, seconded by John Statt, moved the question, which was voted in the affirmative.

Returning to the motion, it was voted to pass over Article 14.

Article 15. To see if the Town will vote to raise and appropriate the sum of \$1,000.00, the State to contribute \$2,000.00, for the construction of sidewalks, curbing, landscaping and necessary drainage. The construction to be performed along the town common abutting Route No. 13 and extending southward twenty-five feet (25') from the center of Route No. 13, or act in relation thereto.

It was so moved by Albert Dancause, seconded by Vaughn Smith, and after much discussion, voted in the affirmative.

Article 16. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to complete curbing and landscaping the common, or act in relation thereto.

It was so moved by Roland Sallada and seconded by Richard Whynall.

An amendment was offered by Milton Elliott, seconded by Clifton Wilson, to include additional diagonal parking. The amendment did not carry.

Returning to the original motion, it was so voted in the affirmative.

Article 17. To see if the Town will vote to authorize the Selectmen to sell or administer property of the Town acquired by tax deed or gift, or act in relation thereto.

It was so moved by Donald Byam, and seconded by George Hawkins.

Albert Dancause offered an amendment that the Selectmen advertise and sell the property, which was voted in the negative.

Returning to the original motion, it was voted in the affirmative.

Article 18. To see if the Town will vote to authorize the Selectmen to hire money to meet the necessary expenses of the Town.

It was so moved by Robert Normandin, seconded by George Hawkins, and voted in the affirmative.

Article 19. To see if the Town will vote to authorize the Selectmen to deliver inventory blanks at the time inventory is taken.

It was so moved by Howard Towne, seconded by Reed Brown, and voted in the affirmative.

Article 20. To transact any other business that may legally come before the meeting.

A motion was made by Charles McEwan, seconded by John Statt, that the people of the Town of New Boston instruct the Selectmen to petition our representatives in Congress, to request the Federal Government to turn back that portion of land known as the face of Joe English, and/or the Bombing Range or the New Boston Satellite Tracking Station that is not necessary for operation of said Tracking Station, to the Town of New Boston, to be used as a town park or some such worthwhile recreation and conservation facility as the Town sees fit.

It was so voted in the affirmative.

A motion was made by Mrs. Beulah Hayes, seconded by Elliott Hersey, that the Selectmen make a survey of kitchen equipment in the Town Hall, so that there may be utensils available for town groups to put on a supper.

It was so voted in the affirmative.

Reginald Hayes offered a suggestion that the Selectmen look into the possibility of obtaining coat racks for the convenience of the people attending meetings at the Town Hall.

Randall Parker publicly thanked the editor, Barbara McEwan, and Typists Dauphin Mason, Yvonne Gomes and Mary Louise Gould for

their excellent work in publishing the New Boston Better Times. He announced a collection would be taken as people left the Hall. Over \$40.00 was collected.

Richard Whynall suggested that the trailer action not wait until the next Town Meeting.

A standing ovation was given John Locke and Stephen Kennedy, who had recently returned from Viet Nam.

A motion was made and so voted that this portion of the meeting end and, after the ballots are counted, the meeting stands adjourned. The meeting ended at 10:45 p. m.

Respectfully submitted,

MABEL E. HODGE, Town Clerk

13. To see if the Town will vote to withdraw from the Road Equipment Capital Reserve Fund \$4,000.00 plus interest to be applied to purchase of new grader, or act in relation thereto.

14. To see if the Town will vote to amend Paragraph 4 of the Ordinance Providing for the Regulation of Private Dumps, and Other Activities adopted March 9, 1965, to read as follows, or to otherwise amend said paragraph:

4. House Trailers and Mobile Homes: No person or organization shall locate, park, keep or maintain nor allow to be located, parked, kept, or maintained upon his or its property a house trailer or mobile home except in strict compliance with the following:

A. Any person or persons upon whose property a house trailer or mobile home is desired or intended to be located, parked, kept, or maintained shall, prior to the location or parking of such house trailer or mobile home upon such property, first submit a written application for a Temporary House Trailer or Mobile Home Permit to the Selectmen, together with an application fee in the sum of Twenty Five

Dollars (\$25.00) which shall be applied toward the costs of the notice, hearing, and other expenses of printing copies of, and carrying out the provisions of, this Ordinance, and shall in no event be refundable. Upon receipt of any such schedule a public hearing as to same, with respect to which (1) a notice shall be published in a newspaper of general circulation in the area and (2) written notice shall be mailed, via registered or certified mail, to the owners of all properties abutting or directly across any abutting street or road from the property where the subject trailer or mobile home is proposed to be located, which notices shall be published and mailed at least fourteen (14) days prior to the date of such hearing. At any such hearing the Selectmen shall take into consideration the opinions of all persons desiring to speak for or against the location of the proposed trailer or mobile home, and shall accord particular significance to the consent or objections of persons owning properties abutting on, or within sight of said property where the subject trailer or mobile home is proposed to be located. No such permit shall be issued unless the Selectmen find the location and maintenance of the particular house trailer or mobile home by the applicant at the proposed site therefor to be consistent with all applicable purposes of this Ordinance, as set forth in Paragraph 1 hereof.

B. Upon an affirmative finding by the Selectmen as to any such application, in accordance with the provisions hereof, they shall issue a Temporary House Trailer or Mobile Home Permit to the applicant, which shall be valid for a period of forty-five (45) days and not longer, and shall expire at the end of such period unless the applicant has in the meantime caused the subject house trailer or mobile home (1) to be located on a tract of land at least twenty thousand (20,000) square feet in area, (2) to be serviced by an adequate sewerage disposal system situated at least seventy-five (75) feet from any well in use, and approved by the Town Health Officer, (3) to be connected to a well providing running water meeting the purity requirements of the New Hampshire Department of Health and Welfare, Division of Public Health Services, and (4) has caused the exterior walls of said trailer or mobile home to be completely enclosed, except for necessary ventilating windows, at the base with a continuous wall or foundation constructed of poured concrete, or cinder block, cement block, field stone or brick which has been cemented together. Upon a finding by the Selectmen, after an inspection of the subject house trailer or mobile home, that all provisions of this Ordinance have been

complied with within said forty-five (45) day period, and not otherwise, they shall issue an Annual House Trailer or Mobile Home Permit to the applicant.

C. An Annual House Trailer or Mobile Home Permit issued in accordance herewith shall be valid until the following April 1st, and shall be renewed effective on such date each year only after (1) payment of an Annual House Trailer or Mobile Home Permit fee in the amount of Five Dollars (\$5.00) which shall be due and payable on April 1st each year, and (2) an affirmative finding by the Selectmen, after inspecting the subject house trailer or mobile home and the property on which it is situated, that it is being maintained in accordance with the provisions and purposes of this ordinance. Any such permit shall immediately be revoked by the Selectmen in the absence of an affirmative finding hereunder, and shall not be re-issued except after full compliance with all requirements of Subparagraphs A and B hereof.

D. Upon the denial of an application for a Temporary House Trailer or Mobile Home Permit hereunder, no application for another such permit relative to the same property, or any other portion of a tract of land which encompasses and includes the same property, shall be eligible for consideration until after the second (2nd) anniversary of the date of original denial.

E. In the event that any house trailer or mobile home, or a tract of land upon which is situated any house trailer or mobile home is sold, conveyed, or otherwise transferred, the subject house trailer or mobile home shall be removed from the site thereof within ninety (90) days of the date of the applicable Bill of Sale, Deed, or actual date of ownership transfer unless prior to the expiration of such period a new Annual House Trailer or Mobile Home Permit has been issued after full compliance with all requirements and provisions of Subparagraphs A and B hereof.

15. To see if the Town will vote to adopt the provisions of R.S.A. Chapter 243, Laws of 1967 relating to the offices of Town Clerk, Town Treasurer and Town Tax Collector, so as to provide for said officers being elected each for three year terms, instead of one year terms, the first of such three-year terms, if this article is passed, to commence with the 1969 Town meeting, or act in relation thereto.

16. To see if the Town will vote to authorize the Selectmen to sell or administer property of the Town acquired by tax deed or gift, or act in relation thereto.

17. To see if the Town will vote to authorize the Selectmen to hire money to meet the necessary expenses of the Town, or act in relation thereto.

18. To transact any other business that may legally come before the meeting.

Given under our hands and seal this 23rd day of February, in the year of our Lord nineteen hundred and sixty-eight.

1968 FINANCE COMMITTEE REPORT

To the inhabitants of New Boston – The Finance Committee notifies you that all taxes must arrive from personal and real estate property. Therefore, our taxes have reached the point that they are beyond the ability of most citizens to pay. Only by intelligent electing of officers, thrifty spending at School and Town Meetings and through extra work done by zoning, Planning, Forestry and Road Committees appointed at our meetings, will we continue to move forward.

RECOMMENDATIONS

School Warrant

Two articles were changed and one added, through agreement of school officials and finance committee, which will save taxpayers between four and five thousand dollars.

Article 4 – Recommend.

Articles 5 and 6 – Recommend that a committee be formed to work with the Planning Board to study what is best to do with the land and buildings on a 100 year basis.

Article 8 – Recommend.

Article 9 – Recommend that the school lunch program be discontinued, as the cost to the taxpayers is approximately \$4,000 each year.

Article 10 – Recommend that the School Board and Selectmen decide on what is the best way to solve water problem and any extra funds not used be turned back to treasury to reduce taxes.

Town Warrant

Recommend Articles 3, 4, 5, 6, 7, 8, 9, 12 and 13.

Through conditions of Trust Funds, the Library shows over \$2,000.00 balance in Treasury each year. We recommend that the School and Library officials discuss the feasibility of the Library loaning books to the school and by so doing the School budget could be reduced by \$400.00 or \$500.00 each year.

Articles 10 and 11 – Recommend a committee be set up to work with Planning Board to study what would be best for community over a 100 year period, taking into consideration Schools, Parks, Parking Area, Fire House etc.

PAUL G. MANSFIELD, *Forest Fire Warden*

REPORT OF FOREST FIRE WARDENS

The year of 1967 will go down in history as a wet year although the early spring was dry and windy. During this time, we had many fires, unnecessary fires caused by carelessness and disregard for the common-sense fire laws and regulations. This lack of responsibility on the part of a few people hurts everyone. Let's work together to prevent the start of those unnecessary fires by:

1. No burning between 9:00 A.M. - 5:00 P.M. and then only with a permit from the Forest Fire Warden.
2. Take all debris and waste to the town dump.
3. Keep a clean, safe town dump.
4. Urge close supervision of children in regard to use of matches.
5. Exercise care with smoking material – use the ashtray.

REPORT OF THE NEW BOSTON PLANNING BOARD

A new member, Jerry Kennedy, was appointed by the Selectmen to the Planning Board for a four year term, replacing Pauline Brendle whose term had expired.

At its initial meeting, Ray Pelchat was elected chairman for the year, and Marge Colburn, secretary.

Ed Kinney was delegated to contact the Southern Regional Planning Board and report back about the feasibility of joining it. No new towns are being added to the Regional Board at this time. However, we have filed a letter of interest in the matter in case the Regional Board should consider additions in the future.

It was decided to hold a public meeting on the subject of subdivision regulations, and Randall Raymond of the Department of Resources and Economic Development was invited as guest speaker. The meeting was well attended. Mr. Raymond showed slides and explained about the regulations, describing the type of protection that could be expected.

The Board voted unanimously to place an article in the Town Warrant relative to subdivision regulations and we recommend that authority to establish such regulations be granted.

We reviewed the present mobile home ordinance and studied the first draft of proposed amendments. As a result, we submitted several suggestions to the Selectmen for their consideration.

The Planning Board recommends that the High School property be turned over to the Town and that a committee be formed to study its disposal.

FORESTRY COMMITTEE REPORT

During the summer of 1967, the committee prepared a timber sale of approximately 220,000 board feet on the Lydia Dodge Lot. The majority of the trees in the sale are over mature and of poor form. Their removal will improve growing conditions for the higher quality trees remaining. In the fall, invitations to bid were sent to prospective buyers, but there were no bidders. As the attempt to sell the trees on the stump has failed, the committee plans to contract the cutting, yarding and hauling of the timber and to sell the logs to one of the sawmills nearby.

About 200 selected white pine trees were pruned so that future growth on these trees can be converted to high value, knot free lumber at the time of harvest. The Agricultural Conservation Program of the U. S. Department of Agriculture will completely reimburse the town for the cost of this operation which was carried out on the Lydia Dodge Lot.

The committee will be meeting again soon to form plans for improving and harvesting the forest resource of the town in 1968.

SCHOOL WARRANT — 1968**The State of New Hampshire**

*To the Inhabitants of the School District in the Town of
New Boston qualified to vote in district affairs:*

You are hereby notified to meet at the Town Hall in said District on Friday, the 8th day of March, 1968, at eight o'clock in the evening to act upon the following subjects:

1. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.
2. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
3. To choose Agents and Committees in relation to any subject embraced in this warrant.
4. To see if the District will vote to authorize the School Board to make application for and to accept, on behalf of the District, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or United States.
5. To see if the School District of the Town of New Boston will vote to transfer the deed for the former High School property to the Town of New Boston for use as the site of a new fire station. (Inserted by petition.)

6. To see if the School District will vote to authorize and direct the School Board to sell, convey, and transfer the old New Boston High School, so-called, together with the land upon which it is situated, and any furnishings, appurtenances, fixtures, and other property not considered by said School Board to be necessary to the maintenance and operation of the school facilities now being utilized, at such price and upon such terms as said School Board, in its collective and sole discretion, may deem to be in the best interests of the School District and Town of New Boston.

7. Shall the School District accept the provisions of New Hampshire Revised Statutes Annotated, Chapter 195-A (as amended), providing for the establishment of area schools located in Goffstown to serve grades 7-12 from the School Districts of Dunbarton and Goffstown and New Boston in accordance with the provisions of the plan on file with the district clerk.

8. To see if the District will vote to raise and appropriate the sum of five hundred dollars (\$500.00) to improve the condition of the road between the elementary school units and the Fire Station by providing the necessary gravel and drainage for such purpose.

9. To see if the District will vote to discontinue the School Hot Lunch Program effective with the beginning of the school year 1968-69 and to authorize and direct the School Board to sell or dispose of any property used by the said School Hot Lunch Program in such a manner as they may deem to be in the best interests of the School District of New Boston.

10. To see if the District will vote to authorize the School Board to apply a portion of the funds remaining in the Building Fund towards an adequate water system for the Central School Addition.

11. To see if the town of New Boston will vote to create a study committee of five voters, one or more of whom shall be members of the School Board, to investigate the feasibility of a Public Kindergarten in the town of New Boston; the report to be given to the voters at the 1969 School Meeting. (Inserted by petition.)

12. To see what sum of money the district will raise and appropriate for the support of schools, for the payment of salaries of school district officials and agents, and for the payment of the statutory and contractual obligations of the district.

Given under our hands at said New Boston this 15th day of February 1968.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of New Boston:

I herewith submit my sixth annual report relative to the schools of New Boston:

The year 1967 marked a milestone in the efforts of New Boston citizens to provide modern facilities for the education of the students of New Boston. The year saw the completion of the most ambitious building program in the history of New Boston with the completion of the Central School Addition. The addition is a well designed, functional building of sound construction and tastefully decorated and equipped and moderately priced.

The New Boston School Building Committee comprised of Milton E. Elliott, Richard F. HechtI, Linda B. Hersey, August J. Gomes, Dr. Robert F. Normandin, H. Randall Parker, George Peirce and the school board comprised of Howard Towne, P. Vaughn Smith and John H. Young deserve commendation for a job well done.

The New Boston Schools have a total enrollment of 195 in grades one through six. The seventh and eighth grade students attend the Goffstown Junior High School. New Boston students attend Goffstown High School except for those completing their education in high schools in which they were enrolled prior to the signing of the long-term contract with Goffstown. The distribution of students attending public schools is as follows:

Units	Grade 1	33	
Central School	Grade 2	40	
	Grade 3	29	
	Grade 4	27	
	Grade 5	36	
	Grade 6	30	
Total Grades 1 through 6		---	195

TUITION STUDENTS

Goffstown Junior High	Grade 7	32	
	Grade 8	27	
		---	59
Goffstown High School	Grade 9	22	
	Grade 10	18	
	Grade 11	19	
	Grade 12	11	
		---	70
Milford High School			1
Peterborough High School			1

Increases in nearly all budget items due to the inflationary trend of the national economy will be reflected in both the local costs and tui-

tion costs for the 1968-69 Budget year. The Goffstown High School tuition rate is estimated at \$598.55 per student. The Goffstown Junior High School rate is estimated at \$494.97 per student. The total number of grades 9-12 Goffstown tuition students will increase from 70 in 1967-68 to 83 in 1968-69 and for grades 7 and 8 — remains the same —59. The number of Grade 9-12 in Peterborough has decreased to 1. The tuition charge is \$700.00 per year for 1968-69 contrasted with \$598.55 for Goffstown and \$692.88 for Milford.

The AREA Plan

The citizens of New Boston, at the March 1966 school district meeting voted to elect an AREA School Planning Committee for the purpose of considering fully and objectively the question whether New Boston, Goffstown and Dunbarton, and any other town or towns so desirous, should enter into an AREA School Plan so as to be eligible for increased state building aid, tuition-bonus payments and such other advantages as are provided by the legislation which made possible the establishment of AREA Schools.

A financial benefit, if and when the legislation is fully implemented, will be the receipt from the State of \$75.00 for each Dunbarton and New Boston high school student who attends Goffstown High School and \$60 for each Dunbarton and New Boston student who attends Goffstown Junior High School. This income will be distributed on a pro-rated basis to the three towns.

The educational advantages of the AREA plan include broader ability grouping practices, wider course selection, additional pupil services such as music, art, library, guidance, health, athletic programs and modern plant facilities.

The citizens will have an opportunity to vote to establish the plan at the annual school district meeting. The planning committee recommends the adoption of the program because it believes that the plan will provide financial and educational benefits and long term security for the school districts involved.

Goffstown High School

With a majority of New Boston High School students attending Goffstown High School under a long-term contract, it is imperative that the citizens of New Boston are informed relative to the evaluation of Goffstown High School by the New England Association of Colleges and Secondary Schools, an accrediting agency.

Under the capable direction of Robert Moulton, Principal, Goffstown High School was evaluated this year for continued membership in the New England Association of Colleges and Secondary Schools.

At the December meeting of the New England Association of Colleges and Secondary Schools, Goffstown High School was granted full membership in that organization. The principal, teachers, students and supporting staff of Goffstown High School are to be complimented for this achievement.

Highlighting the evaluation report are the following commendations:

1. The school's system of ability grouping.
2. The effort to provide a variety of opportunities in academic and practical arts areas.
3. The excellent rapport between the teachers and the students.
4. The involvement of Driver Education students in maintaining bulletin boards and visual aids.
5. The attitude of staff members that all the students are worth educating — the terminal, as well as the college bound and the business students.
6. The frequent use of language laboratory in supplementing the classroom texts and the correlation of the tapes used with them.
7. The arrangement and organization of the Home Economics area.
8. The availability of the Industrial Arts program to all male students.
9. The relatively high percentage of students enrolled in mathematics courses.
10. The individual and small group instruction available to band members.
11. The physical education instructors' use of practical and written tests at the end of each unit for the purpose of evaluation.
12. The background in pure science of science department members and the utilization of strengths through scheduling.
13. The introduction of a Non-Western History course.
14. The Goffstown School District's provision of funds for student activities.
15. The quality of the present library collection.
16. Leadership in comprehensiveness of guidance services.
17. The quality of the health staff.
18. The wise planning by the School Board and administration in providing a well-thought-out school that is consistent with the Goffstown High School Philosophy of Education.
19. The evidence of professionalism, dedication and sincerity on the part of the school staff.

Staff

Mr. Warren P. Austin, Jr., continued his duties as principal of the New Boston School with the following new staff members:

- Grade 2 — Mrs. Kathleen J. Psirogiannis
- Grade 4 — Mrs. Alice A. Slatum
- Grade 5 — Mr. Kenneth Faggiano
- Grade 5 — Miss Dorothy E. Daniels
- Art — Mr. Ernest C. Reynolds

New Boston elementary school students continue to have the services of a part-time psychologist with full support of the program under Title I, a Federal Program. Approved by the N. H. State Department of Education which allocates the funds, Mr. Richard Hechtel, Psychologist, is employed by the local board.

Curriculum

Many changes have been effected in the curriculum. The social studies program has been improved with new textbooks (grades 4-6) and the reading program enriched with supplementary reading books. We have added physical education to the program — grade 5-6.

Additional audio-visual aids include new equipment such as record players, filmstrip projectors, head-set box for individual listening, and new records for music and reading skills. The equipment is now centralized in an audio-visual aid room.

The year 1966 saw the adoption of a new phonics program in primary grades.

Acknowledgment

The School Board with Howard Towne, Chairman, Vaughn Smith and John Young has worked countless hours with dedication to effect a good educational climate for New Boston within the framework of the ability of the taxpayers to pay in this period of continually rising costs.

I wish to express my appreciation for the support and cooperation extended to the administration by the school board, school district counsel, Attorney David L. Nixon, principal, teachers, pupils and citizens of New Boston as well as the loyal support of the Supervisory Union office staff.

Respectfully submitted,

ERNEST PELTONEN,
Superintendent of Schools

RECORD OF SCHOOL MEETING

March 25, 1967

The meeting was called to order at 8:15 P. M. by Moderator David Nixon, who led the group in the Lord's Prayer. The Salute to the Flag was led by George St. John.

Moderator Nixon made note that the Warrant and Checklist had been examined and been found in order, and also verified that all members of the School Board, Moderator and Clerk had been sworn in.

A vote of appreciation and recognition was given the outgoing School Board; namely, Milton Elliot, Gregg Peirce and Richard Hechtl. The new School Board — Howard Towne, John Young and Vaughn Smith — were then introduced to the assembly. A special vote of thanks was given to Mabel Hodge for her many years of service as Clerk, and the incoming Clerk, Thelma Neville was introduced. Roland Sallada was asked to stand and be recognized for his past services as Moderator of the School Meeting.

Special recognition was made of two guests for all their able assistance. They were Ernest Peltonen, Supervisor of the School District, and Spiro Anastos, Assistant Supervisor.

After giving background information on the duties and privileges of a moderator, Mr. Nixon proceeded to lay ground rules to be followed during the meeting; i. e., all voting to be done orally, or by a division of a house, but by vote from the floor, and a second, voting may be by ballot; amending of Articles in the Warrant was limited to two (2) amendments per Article; speakers to be brief and limit discussion to issue at hand.

Article 1 — To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.

Mr. Towne moved that the salaries of the School Board and Truant Officer and any other officers or agents of the district be accepted as approved in the budget. Mr. Smith seconded and it was unanimously approved.

Article 2 — To hear the reports of Agents, Auditors, Committees, or Officers chosen and pass any vote relating thereto.

Mr. Towne suggested the meeting be opened for limited discussion of the proposed additions to the school prior to the actual voting. The proposals of the Building Study Committee with a description of the various alternatives, followed by pertinent questions from the floor.

Mr. Elliott presented an incomplete report on the Regional Study Committee, but expressed regret that until the situation in some of the neighboring towns had been clarified, the report could not be completed.

Article 3 – To choose Agents, and Committees in relation to any subject embraced in the Warrant.

On motion made by Mr. Towne and seconded by Mr. Fredericks, it was moved to table this Article. The motion was unanimously passed.

Article 4 – To see if the District will vote to authorize the School Board to make application for and to accept, on behalf of the District, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or United States.

Mr. Young moved that the Article be approved as shown in the Warrant. Mrs. Parker seconded the motion.

Mr. Thomas moved that the Article be amended to add the phrase, "with no strings attached." There was no second to the amendment.

By an oral vote, there was unanimous approval of the original motion.

Article 5 – To see if the District will vote to raise and appropriate the sum of two hundred and fifty thousand dollars (\$250,000) for the design, construction and equipping of an elementary school addition and for the acquisition of land in connection therewith, and that to raise this appropriation, the School Board is authorized to borrow two hundred and fifty thousand dollars (\$250,000) under the Municipal Finance Act.

Mr. Towne moved that consideration of Article 5 be postponed pending disposition of Article 6. Motion was seconded by Mr. Smith. There was an unanimous vote to postpone action on Article 5 until disposition of Article 6.

Article 6 – To see whether the School District of the Town of New Boston will authorize the School Board to borrow an amount up to thirty-eight thousand dollars (\$38,000) at prevailing interest rates for school districts, to repair, alter and remodel the former high school building to provide additional usable classroom space for the elementary grades and to appropriate sufficient funds to amortize such borrowing over a period of not less than five nor more than ten years. (Inserted by Petition.)

Mr. Harvell moved, with second by Mr. Byam, to accept Article 6. After lengthy discussion, a vote was taken by a division of the house, with forty-five in favor. The motion was defeated.

Mr. Towne then moved that the meeting return to Article 5, that the District vote to raise and appropriate the sum of two hundred fifty thousand dollars for the design, construction and equipping of an elementary school addition and the acquisition of land in connection therewith, and that to raise this appropriation, the School Board is authorized to borrow two hundred fifty thousand dollars (\$250,000) under the Municipal Finance Act.

This motion was seconded by Mr. Young.

After some discussion, Mr. Duguay moved to amend Article 5 to see if the District will vote to raise and appropriate the sum of one hundred forty-six thousand dollars (\$146,000) for the design, construction and equipping of an elementary school addition as presented in Plan 2 of the Building Study Committee, and for the acquisition of land in connection therewith, and that to raise this appropriation, the School Board is authorized to borrow one hundred forty-six thousand dollars (\$146,000) under the Municipal Finance Act.

Mr. Statt seconded the motion to amend.

After limited discussion, it was agreed to move the previous question. By a division of the house, it was passed by a vote of 127 to 19 to accept Plan 2 as outlined by the Building Study Committee.

Article 7 – To see if the school district will vote to authorize the employment of a business administrator for New Hampshire Supervisory Union No. 19 according to RSA 186:11 II, XXII, XXIII, XXIV as amended.

Mr. Young moved that this Article be accepted as presented, and seconded by Mr. Kinney.

When called upon, Mr. Peltonen explained the duties, obligations and advantages of a business administrator. The motion carried.

Article 8 – To see what sum of money the district will raise and appropriate for the support of the schools for the payment of salaries of school district officials and agents, and for the payment of the statutory and contractual obligations of the district, including the district's obligations as set forth in the New Boston-Goffstown Long-Term Tuition Contract, executed on February 18, 1965.

Mr. Towne moved that the sum of one hundred ninety-nine thousand five hundred sixty-nine dollars and seventy-five cents (\$199,569.75) be raised for the support of the schools, for the payment of salaries of school district officials and agents, and the payment of the statutory and contractual obligations of the district, including the district's obligations as set forth in the New Boston-Goffstown Long-Term Tuition Contract, executed on February 18, 1965.

Mr. Smith seconded the motion.

A request was made by Mr. Hawkins to explain the difference between the one hundred ninety-nine thousand, five hundred sixty-nine dollars and seventy-five cents (\$199,569.75) requested and the budgetary mention of one hundred eighty-five thousand three hundred twenty-nine dollars (\$185,329.00). Explanation of the difference was accounted for by increased interest payments on the new addition just voted, and the possibility of having to hire a replacement teacher in the course of the year, should for any reason a replacement become necessary.

After lengthy discussion, Mr. Sallada moved that the sum of one hundred ninety-nine thousand, five hundred sixty-nine dollars and

seventy-five cents (\$199,569.75) be reduced by twelve hundred dollars, which would be the cost estimated of replacing a teacher. Mr. Hawkins seconded the motion.

By a division of the house, the motion was defeated by a vote of 57 to 51.

On a return to the main motion, the Article was passed.

Article 9 — No alterations or repairs, other than minor or those ordinarily considered as part of the duties of custodian, shall be authorized by the School Board, or any official of the School District, unless such alterations or repairs shall have previously been approved at the general school meeting or at a special school meeting for which appropriate notice shall have been posted. (Inserted by Petition.)

Mr. Strong moved to pass over Article 9; seconded by Mr. Whynall.

Mrs. Dancause requested the Article be amended to impose limitations on the spending of the School Board, only to protect the town.

Mr. Carson moved the question; seconded by Mr. Kinney. The question was moved.

It was unanimously voted to pass over Article 9.

Article 10 — No contract for repairs, structural alterations, or the furnishings of services or supplies, which contract involves the expenditure of more than one hundred dollars (\$100) shall be undertaken by the School Board or any official of the school district unless invitation to bid on such contract shall have been advertised in a newspaper of general circulation in the town of New Boston or an adjoining town. Such advertising shall specify that sealed bids shall be submitted to the School Board by registered mail. The School Board shall open such sealed bids at the next regular meeting which follows the publication of such advertisement by more than three weeks; any bids open otherwise than at such regular meeting of the School Board shall be null and void. For purposes of the \$100 limitation contained in this section, all services, goods, etc. furnished by a single contractor or supplier within a school fiscal year shall be considered a single contract. Any services or supplies furnished to the School District otherwise than pursuant to a sealed bid as provided in this section, may be paid for at the lowest price at which a competitive bid for a similar product or service can be obtained. Any contract let otherwise than pursuant to a sealed bid, as provided in this section, may be rescinded at any time by any member of the School Board or any official of the School District and shall thereafter be unenforceable. (Inserted by Petition.)

Mr. Sallada moved to pass over Article 10; second by Mr. Gould. It was voted unanimously to pass over Article 10.

Mrs. Hersey moved that the present School Building Study Committee continue as a committee to assist the New Boston School Board in connection with the contemplated building needs, renovations, and alter-

ations; the Committee consisting of Messrs. Gomes, Parker, Normandin and Mrs. Hersey. Mr. Carson seconded the motion.

By a unanimous vote, the motion carried.

Mr. Hersey moved that the School District Finance Committee as such be dissolved in its relation to the New Boston School Board. Motion was seconded by Mr. Daniels.

The motion was defeated.

Discussion then turned to disposition of the old high school and the equipment that had been used there. No action will be taken on the existing building until the new school is completed; there will be an auction of equipment used in the school, the proceeds of which will be paid to the District.

Mr. Nixon asked for an expression of sentiment concerning the continuation of a Committee to study both area and cooperative schools. It was unanimously agreed that the present School Board should constitute the committee.

The meeting was adjourned at 12:05 A. M.

Respectfully submitted,

THELMA I. NEVILLE, *Clerk*

1967 Milestones

The past year saw the completion of the addition to the new elementary school. The entire project now represents an investment of approximately \$200,000.00. This year also marks the passing of the old High School. It sits quietly by the Common, calmly awaiting its fate which will be decided at this year's Town Meeting. Looking back we find that it was built in 1888, after the conflagration of the previous year had destroyed almost the entire center of the town. The records show that the cost was \$4215.00. How times have changed!

The First Presbyterian Society of New Boston, formed in 1839, at its annual meeting in January, adopted a new Constitution and set of By-Laws and henceforth will be known as The Community Church of New Boston, with all powers of the Society now vested in that body. The old arrangement was considered by some to be cumbersome and outmoded, and it is hoped that the new one will function smoothly.

In October a group of citizens formed The New Boston Baptist Fellowship. Regular services have been held in the Community House under the leadership of Rev. Walter R. Poole, Jr., who came here from Auburn, Maine.

The Hillsborough County 4-H Youth Foundation which was launched a year ago has reached the stage where a Master Plan has been presented. Ultimately, high up on Pinball will be developed an area similar to Cathedral of the Pines in Rindge, N. H. Below, along the Piscataquog there will be complete recreational facilities — Bridle Paths, Tennis Courts, Swimming Pool, Skating Rink, Camping Area, and an Outdoor Amphitheatre. The Fair area will include Exhibit Halls, Livestock Arena, Show Rings, and a 1000-seat Administration Building. There is growing support from Rotary Clubs and already substantial contributions have been received.

A much needed overhead Caution Signal has recently been installed by the State Highway Department at the Dodge's Store corner.

Our unofficial population stands at 1200.
